You may be aware that the Government of India is setting up the National Police Memorial in Chanakyapuri, New Delhi as a symbol of martyrdom of Police for the nation. Their martyrdom manifests the role of Police not only in management crime and law and order but also in protection of national integrity and sovereignty.

2. The National Police Memorial (NPM) would be dedicated to the nation on 21st October 2018 by the Hon'ble Prime Minister.

3. Considering the significance of the NPM for the police forces throughout the country, it would be appropriate and in the fitness of things that the memorial is developed as a tourist destination in Delhi capable of attracting high footfall of tourists. This would also help to highlight the contribution of the police forces of the State/UTs and disseminate the message of service to the nation among the public.

4. I would, therefore, request that necessary steps may be taken so that the NPM is brought on the tourist map of Delhi. Among other activities, tourist coaches can also halt at the NPM during their day tours as part of the tourist circuit.

5. I will be grateful if you could kindly initiate action on the above lines as a matter of priority. A line in confirmation would be greatly appreciated.
