Dear Mr. Razdan,

This is to draw your kind attention to earlier circulars dated 10th March 2017 & 13th July, 2017 respectively wherein, you were requested to send us a copy of your latest valid Ministry of Tourism, Govt. of India recognition/approval letter. This is required urgently to update IATO records and coordinate the same with Ministry of Tourism records.

The Executive Committee has taken a decision to change the membership category of all such members from Active to allied who have not submitted their copy of Renewal letter of Ministry of Tourism, Government of India recognition.

The purpose of this letter is to give you another extended period of 15 days to submit a copy of your renewal letter of Ministry of Tourism, Government of India Recognition.

In case we do not receive the copy of the letter of renewal of your recognition by the Ministry of Tourism, Government of India by **13th July 2018**, membership of your company will be changed to Allied category and your company will cease to be an Active Member of IATO and invoice/bill for the annual subscription for the financial year 2018-19 will be sent to you accordingly.

However, in case if you have already applied online for renewal and facing any problem, please send us the copy of acknowledgement of your submitting the application with the Ministry. This will facilitate us to take up the matter with the Ministry.

Please treat this as most urgent for necessary compliance please.

Thanking you,

With regards,
