PREFERENTIAL LEISURE RATE FOR SUMMER & WINTER 2023 - 24

Dear Mr Mehra,

At ITC Hotels, the wellbeing and safety of our guests remains our top priority and is now more significant than ever. In light of the prevailing situation, we want to reassure you that we are committed to safeguarding the health, safety and wellbeing of our guests, partners & associates, without compromising the quality of guest experience.

On behalf of ITC Hotels, we take this opportunity to express our gratitude for your patronage over the year and look forward to your continued support. In recognition of your organization's patronage and given the unprecedented impact of the COVID-19 pandemic, **we are pleased to offer preferential rates for transient travel, till March 31, 2024, or until further communication, whichever is earlier.** The seasonal rates, as enumerated in your Rate Letter shall continue to apply to this year's seasons as per the applicable terms.

We are delighted to share that ITC Hotels is the first in the world to receive a Platinum Level Certification from DNV, under its My Care Infection risk management program, **for WeAssure - our award-winning health, hygiene & safety programme.** The result is an elevated health, hygiene and safety standard for the well-being of our guests and associates. You can learn more about this programme on the ITC Hotels website. The Platinum Level certification has been awarded to all ITC Hotels & select Welcomhotels. DNV is one of the world's leading certification bodies that helps organizations manage risk & assure business performance.

Symbolized by our distinctive 'Namaste' logo, ITC Hotels integrates hospitality with globally benchmarked services delivered through a unique proposition - our philosophy of "Responsible Luxury". Each hotel draws inspiration from the historical and cultural ethos of the region it inhabits and is committed to operating at the highest standards of sustainable business practices. Responsible Luxury is where world class luxury experiences, address the needs of wellbeing and safety through responsible practises, which are in harmony with the environment and society. ITC Hotels was named as the 2021 USGBC Regional Leadership Award recipient by the U.S. Green Building Council. This is a global recognition that celebrates organisations around the world who are using green building and sustainable practices to improve the quality of life for those around them.

In the year 2022 ITC Hotels unveiled **ITC Narmada** in Ahmedabad. The hotel, inspired by the stepwells of Gujarat, is a glorious tribute to the culture & heritage of the city. Following which, ITC Hotels will make its maiden overseas foray with a 5-star super luxury hotel in Colombo, Sri Lanka. This ocean front hotel located at the very heart of Galle Face will showcase a stellar line of 352 keys including 48 Serviced apartments, gracefully appointed guest rooms and suites, state-of-the art business and conference facilities and a fine selection of Indian, Sri Lankan and other international cuisines.

With the endeavour of serving new audiences across the country, the year 2023 will witness the launch of several new Hotels.

As your Relationship Manager, it will be my pleasure to be of assistance. Please feel free to contact me for any requirement whatsoever.

Warm regards,

Suvarna Mani Pradhan
